

Dear Customer,

April means we are fast approaching Easter and the real beginning of the busy season - no surprise, then, that the month is jam-packed with new publications! But first a bit of in-house news...

Over the last couple of weeks in March we launched some major upgrades to our website which have significantly improved its functionality and speed - and we have future improvements to come when they are ready.

If anything doesn't work as you'd expect it to, or if you have any issues browsing or ordering on the website, please call the office on 01506 855955 - we can help!

Now for a look ahead to new titles, and we're pleased to add the range of travel guides and companion maps from No Fuss to our catalogue this month -

New in Ordnance Survey's short walks range -

Short Walks Made Easy: Bakewell & Dovedale - OS - PB - 12972 - 8.99

This guide features ten family-friendly and easy-paced short walks within the White Peak, Peak District, England. Situated in the south-east corner of the national park, with stunning views and diverse landscapes. Walks cover dale views at Monsal Head, idyllic Dovedale, and the parkland at Chatsworth. Discover quarrying heritage on the High Peak Trail, and enjoy accessible paths on the Monsal Trail, Cromford Canal, and Tissington Trail. Explore Sugarloaf, Wetton Hill Dale, and the history of Eyam, finishing with a slice of Bakewell Pudding by the River Wye.

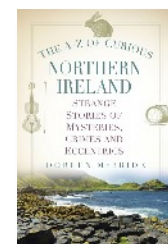

Wild Fishing - Wild Things - PB - 12706 - £18.99

Focusing on the beauty of remote, natural environments and native fish species, this new guide moves away from commercial fisheries and overstocked ponds to introduce the reader to wild fishing. A more sustainable, eco-conscious approach, with an emphasis on affordability, the book reveals the 700 best wild fishing locations across the UK, from quiet rivers and mountain lakes to rugged coastal shores. Whether you're fishing for bass off Cornwall or angling for brown trout in Wales, this guide is your gateway to Britain's most adventurous angling.

The A-Z of Curious Northern Ireland - History Press - PB - 12971 - £14.99

The A-Z of Curious Northern Ireland explores the quirks and peculiarities of country's talented people and the interesting places they call home. Recorded in a reliable, readable, often humorous style, it is a handy reference guide that can be dipped into and enjoyed over and over again.

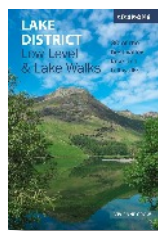

101 Things to Do on a Rainy Day - Kyle - PB - 12594 - £14.99

We all dread the days when the weather outside is typically British! Here are 101 activities to inspire and excite when you're stuck inside, with everything from simple and creative things to distract kids for ten minutes to crafts and experiments that will keep them entertained all day long.
